

## Literacy

**Reading** - This half-term we will be sharing stories all about ourselves, our families and our homes. We are reading 'So Much', 'Sharing a Shell' and 'Colour Monster'. All of these stories help us to celebrate diversity and learn what is unique about us.

We have begun learning Phonics Phase 2 following the Little Wandle scheme.

**Writing**- We will be practising our letter formation and writing words linked to phonics.

## Understanding of the World-

This half term we will be thinking about our families and the generations within them. We will also be thinking about our own culture and the culture of others.

**Expressive arts and design**-As we are learning all about ourselves we will be creating some self-portraits and colour mixing to learn about emotions.

## Personal, Social and Emotional

**Development (PSED)**-This half term we will be making lots of new friends and learning all about taking care of ourselves, each other and the classroom. We will also find out more about our relationships with our friends and family. We will also learn our new school rules and work hard to follow them.

# Super Star Me

**Communication and Language (CLL)**- In CLL we will be working on our super listening skills and talking about what we have learnt from the stories we have read. We will also be working on our speaking skills to talk about our emotions and share our feelings.

**Maths**- In maths we follow the White Rose Scheme.

This half-term we will be looking at 'Just Like Me' section.

This focusses on matching, sorting and comparing objects and numbers. Follow the link to find out more

**Physical Development**- In class we will be working to improve our fine manipulative skills. This will help to build up the muscles in the hands and fingers, in preparation for writing.

In PE, with Mr Devivo, we will be working on our spatial awareness to help us to move around, inside and outside, safely.
