## This week at Nursery

This week, we have been thinking about bonfire night and had great fun mixing colours using different techniques. We even used a salad spinner to mix the colours up so it looks like an explosion in the sky.

We also learnt about Remembrance Day and why the poppy is worn by lots of people.

It was lovely that Roseanna's grandad came in to talk to us and tell us about why it's important to remember people who have helped us in the past.

We watched a short video and even had a minute's silence, where everyone stayed quiet-Well done Acorn Class.

In Maths we have been learning about the number 1 and know this means 1 item on its own, so we played a game called odd one out. We collected a set of objects that were the same and added 1 which was different. We then had to tell our friends why it was the odd one out. Maybe you could do this at home too.

We also learnt how to write the number 1 and followed the rhyme: Start at the top, down you run, 1 straight line, its number 1.

**Thank you for the brilliant support again this week during our focussed activities. Next week our themes will be name writing and mark making. A day to do some fine motor activities, such as threading or using tweezers to move pom poms and lastly a maths day finding 2 or 3 objects from a larger group.**

**Monday: Fine motor activities-threading or working with tweezers.**

**Wednesday we will be name writing and mark making.**

**Friday we will be counting out amounts 2 & 3 from a larger group.**

**Have a lovely weekend everyone.**
