This week at Nursery

This week, we have been thinking about people who help us. We have looked at Police officers, firefighters, doctors, nurses, teachers and dentists and thought about their roles. We set up a hospital role play and really enjoyed pretending how to be doctors and nurses.

We have also been learning to dance with ribbons and listening to music, deciding whether it is slow or fast and thinking how to move to the rhythm.

Songs for this week:

In maths this week, we have looked at the number 2-what does this look like? How do we write it correctly and other ways of making 2-such as a dice, domino, actions, objects and tally marks? We've also used a 5 frame to put 2 objects on and this has helped us to visualise the amount.

The rhyme for number 2 is :make half a heart and give it a shoe, top to bottom, it's number 2.-Can you practise writing this number at home as we know it's a really tricky one.

We had a lovely day on Friday supporting children in need. We all came in our spots and stripes and enjoyed making Pudsey ears to dress up in.

Thank you for the brilliant support again this week during our focussed activities. Next week our themes will be name writing and mark making. A day to do some fine motor activities again , such as threading or using tweezers to move pom poms and lastly a maths day finding 3 objects from a larger group.

Monday: name writing and mark making.

Wednesday: finding 3 objects using the 5 frame.

Friday : fine motor /cutting skills.

Have a lovely weekend everyone.
