## This week at Nursery

This week, we have been thinking about the celebrations Halloween and Diwali and what these mean to different people. We have looked at how families celebrate these 2 festivals and enjoyed making spooky potions and finding out about science. We have also enjoyed making Diwa lamps by sculpting clay and we've been doing lots of dressing up too as we know it's a time for wearing special clothes.

Songs for this week:

In Maths we have been learning about triangles and have found lots of them in our nursery. We know they have 3 straight sides and 3 corners. Can you find any more at home?

**It's lovely to see the children back after half term and thank you for the brilliant support again this week during our focussed activities. Next week our themes will be name writing and mark making. A day to share books and stories and think about what we like about the book. Scissor skills will continue as this is a key area of development.**

**Monday: Name writing and mark making activities.**

**Wednesday we will be developing our cutting skills.**

**Friday we will be sharing books.**

**Have a lovely weekend everyone.**
