

This terms topic is the.....

Vikings and Anglo-Saxons

Important visits/dates:

- ⇒ PE days
Ash Class—Wednesday and Friday
Birch Class— Wednesday and Thursday
Pine Class— Tuesday (Swimming) and Wednesday

Wider Curriculum

History — We will start a new topic this term, the Anglo-Saxons and the Vikings.

Geography — We will look at where these come from

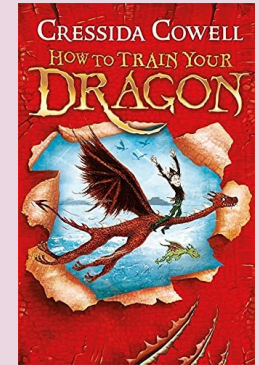

Art — Dragons art

Science — We will learn about that sound is generated in different ways, vibration and volume.

Languages — we will learn the colours, introducing ourselves as well as the days of the week

English

This term, we will be basing our English work on 'How to train your dragon'. We will use the story for our grammar work and then plan, draft and write our own version as how the Vikings got their dragons.

Guided Reading

Yr 4—This term, we will use our English book 'How to train your dragon' as our guided reading book.

Yr 3— we will read different texts during our sessions.

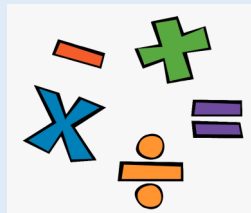

PE

This term, our units are gymnastics and dancing. Year 4 children will continue swimming.

Maths

In maths, we will continue with multiplication and division this half term, where we will look at more formal methods. After that, we will learn about length and perimeter.

Computing

This term's computing topic is images and editing. We will take photos and edit them.

PSHE

We will be looking at the next Jigsaw unit 'Dreams and Goals'.
