This week at Nursery

We have had such an exciting week in nursery, tasting pancakes and pretending to make them. We have also been very lucky and had a visit from the firefighters, who let us sit in the fire engine!

On Friday, we all brought our toothbrushes in for terrific teeth day and all the grown ups were super impressed with how well the children brushed their teeth. We used the song below to help us and kept brushing for 2 minutes.

We've also enjoyed using our music tipi outside and loved practising throwing and catching using large balls.

Songs for this week:

In maths this week, we have looked at routines and recipes. We have been thinking about sequences and why it's important to follow something in the correct order.

We would be very grateful if your child could continue practising putting on their coat and now attempting to pull up their own zip. It's very important for their independence skills. We will keep you posted on the maths workshop as we had a few organisational matters to sort out. (this will be after parents evening now)

Have a lovely weekend everyone.

Mrs Welbourn, Mrs Walker, Miss Elliott and Mrs Ellis
