## This week at Nursery

We have had a lovely week again and watched some real baby animals hatch from their eggs. It has been amazing to see the 4 baby ducklings quickly change into active, hungry little creatures. Next week, we can all hopefully get to stroke and maybe hold them gently. We also had 4 butterflies on Friday and are still waiting for 1 to hatch from the cocoon, so we let 2 butterflies go and they quickly flew off into our garden.

We started a new story Jasper's beanstalk and planted our own beans in a bag. Some of them have even started to sprout and get shoots. Come and have a look at your child's on the conservatory window.

In PE we have been learning team sports. We have continued to learn to work as a team to win a race. We practised running races and the over and under race with a ball too. Hopefully we will have a date for sports day this week. So keep an eye on text messages.

### Songs for this week:

Polinator friends: see below for words (sung to the tune of Tommy Thumb)

In maths this week, we have been using time sequencing words, 1<sup>st</sup>, then, next and finally to make up a story with objects. We enjoyed giving instructions to our friends to see if they could follow our story.

Thank you to the children who brought the maths challenge back, you all did a good job-Well done! We really would like all the children going up to school to have a go each week please. It shouldn't take more than 15 minutes to complete.

### Pollinator friends song (sung to the tune of Tommy Thumb)

Hummingbird, hummingbird where are you?  
Here I am, working hard pollinating for you.

Ladybird, ladybird where are you?  
Here I am, working hard pollinating for you.

Butterfly, butterfly, where are you?  
Here I am, working hard pollinating for you.

Honey bee, honey bee where are you?  
Here I am, working hard pollinating for you.

Busy bat, busy bat where are you?  
Here I am, working hard pollinating for you.

Have a good weekend everyone .
