- ⇒ Date for the diary in Summer 2
- Wb 19th June: Healthy Living week with Street Food Party and Sports Day.

Wider Curriculum

Science — We are learning about living things and their habitats including classification and changes to some environments.

Art—We are studying the work of Eileen Agar this term and will create a piece of surrealist art linked to our Tuesday topic.

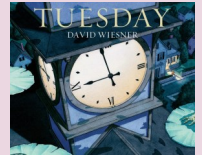

DT — We will be sowing ocean animals in the second half term.

Languages — We will learn names of different pets and zoo animals as well as giving simple directions.

English

This term, we will read the book Tuesday by David Wiesner.

We will become newspaper reporters and write our own newspaper report on what happened on Tuesday. We will look at the features of newspaper reports, use subordinating conjunctions and write eye-witness quotes as part of this unit.

Guided Reading

Yr 4—This term, we will use 'James and the Giant Peach' as our guided reading book.

Yr 3— we will read different texts during our sessions to work on our fluency.

PE

This term we will focus on athletics and Cricket.

This will prepare us for our Sports Day in June.

Maths

Year 3 will work on fractions and money before moving on to time.

Year 4 will cover decimals, money and time.

Computing

This term's computing topic is computer science where we will use 2Code to learn about coding and programming.

PSHE

As part of our Healthy Living week in summer 2, we will cover the unit 'Changing me'.
