

Important Dates to Support Transition Into School

June 2023

We will also be phoning your child's current pre-school provider to have a chat or arrange a visit to enable us to find out a little about our newcomers.

Week beginning 26th June. We will email you to let you know which class your child will be in and the names of the teachers.

July 2023

Monday 3rd July at 4pm. We are holding a short information meeting for new parents. This meeting will take place in our school hall. This meeting is primarily for parents as we are not able to provide a creche, however children who will be attending in September are welcome to join their parents. Any information accompanying this meeting will be posted on our website following the meeting.

Wednesday 5th July. Children and parents are invited in to school, for a stay and play session to meet their class teacher and explore their new classroom. This will either be in the morning or the afternoon. If your child is already at our school nursery arrangements will be made for you to join in with these sessions. You will be advised as to whether your visit will be in the morning and the afternoon, by 26th May.

Thursday 6th July Children and parents who are new to Trent Vale, and don't attend our nursery, are invited for an afternoon session. 1.30—3.00pm. This will be an outdoor session, where children can explore the forest school area and the pond. Children currently at our school nursery will have lots of other opportunities to meet with their new class teachers, within the school day.

Friday 14th July Staff will post a story video on the website for children to watch over the summer.

Monday 17th July An E book about school will be posted on our website for your child to look at over the summer holidays. This will have a photo of your child's new teacher.

September 2023

Tuesday 5th and Wednesday 6th Sept We are holding 2 transition visits to school. The first session will be a stay and play session where one parent can stay with their child. The second session will be a short visit to school, where we are hoping you will be able to leave your child for short while, to play by themselves.

Thursday 7th and Friday 8th Sept We will have a staggered intake of children into school. You will be given a start date and time for your child to start school within these 2 days.
