

### **Literacy**

We will be focusing on a book this half term related to our topic. We will read this book together completing many activities to develop our understanding of new vocabulary and the themes within the story. We will also write an information booklet about the moon.

### **R.E.**

This half term we will be looking at 'Celebrations and festivals.' We will be learning about harvest, Hannukah, kindness and learning some religious stories behind these.

### **History**

This half term we will be looking at the moon landing and the life of Neil Armstrong.

**VISIT- We will also be having a visit from WonderDome.**

## Walking on the Moon

### **P.S.H.E**

This half terms theme is 'Celebrating Differences'  
We follow the 'JIGSAW' scheme and will look at similarities and differences between boys and girls, bullying and celebrating differences and still being friends. We will also focus on our Trent Rylands Federation school rules.

### **Art**

We will be focusing on painting this half term. We will look at Van Gogh and his Starry Night painting. We will use this as an inspiration for our final piece. We will look at adding white to make tints and making hues of different colours.

### **Geography**

We will be looking at and naming the seven continents and five oceans. We will learn their location on a world map and be able to label them on a map. We will use an atlas to help.

### **ICT**

We will be following the 'purple mash' scheme of work. We will be looking at coding this half term. We will be adding in collision detection, timers and into our code. We will fix problems in code to make the algorithm run correctly.

### **PE**

We are developing our gymnastics skills.

### **Numeracy**

This half term we will be looking at addition and subtraction. We will add by making ten, add 10s, add three 1- digit numbers and add using our number bonds. We will learn related facts and fact families. We will be adding and subtracting crossing the ten and not crossing the ten.
