

Year 1 and 2 Parent Information Letter Autumn 1 2024

English

This half term we will be looking at a book related to our superhero topic. We will read this book together completing many activities to develop our understanding of new vocabulary and the themes within the story. We will also look at non-fiction books about superheroes.

History

This half term we are looking back to when our school was built and what life was like. We will look at what school was like, a typical day in the home, what shopping was like and compare this with today.

Superheroes

Science

Year 1- This half term we will be focusing on identifying, naming, drawing and labelling the basic parts of the body. We will also look at which body part is associated with each sense.

Year 2- This half term we will be looking at animals including humans, finding out about the basic needs (water, food and air). We will also look at the importance for humans of exercise, eating the right amounts of different types of food and hygiene.

Computing

This half term we will be focusing on internet safety and exploring purple mash.

Design and Technology

This half term we will be looking at mechanisms focusing on levers and sliders. We will explore lever and sliders then choose one to include in our own moving picture design.

P.H.S.E

This half terms theme is 'Being Me in My World'

Year 1- We will look at feeling safe, rights and responsibilities, rewards and feeling proud and consequences .

Year 2- We will look at hopes and fears for the year, rights and responsibilities and rewards and consequences.

PE We will be developing our hockey skills this half term.

R.E.

This half term we will be focusing on leaders. We will look at Christian and Jewish leaders: Moses and Peter. We will learn what it takes to be a good leader.

Maths

Year 1- We will be focusing on place value to 10, counting accurately and understanding numbers to 10. We will also compare numbers, one more and one less and start to look at addition.

Year 2- We will be focusing on place value to 100 understanding the position of numbers and their values. We will also compare numbers and start to look at addition.
